THE GOVERNMENT AYURVEDIC AND UNANI COLLEGE, MYSORE.

Notification dated 27th April 1937.

Notice calling for tenders for the supply of drugs and articles of food to the in-patient and the pharmacy sections attached to the Government Ayurvedic Hospital, Mysore.

Notice is hereby given that sealed tenders will be received at the Office of the Principal, Government Ayurvedic and Unani College, Mysore, up to 15th June 1937 for the supply of drugs and articles of food for the year 1937-38, commencing from 1st of July 1937 as noted in the appended schedule. The annual quantities noted in the schedule are approximate and the successful tenderer will be required to supply more or less according to requirements.

2. No tenders will be received after the date abovementioned.

3. Tenders to be superscribed as "(a) Tender for the supply of diet articles of food and other miscellaneous articles for the Government Ayurvedic Hospital, Mysore, for the year 1937-38, (b) Tender for the supply of drugs and other articles for the Government Ayurvedic Pharmacy, Mysore, for the year 1937-38."

4. No tenders will be received unless accompanied by a deposit of Rs. 50 through a chellan from the Government treasury.

5. The tenders will be opened by the Principal, Government Ayurvedic and Unani College, Mysore, at his office on the 16th June 1937 at 11 A.M. precisely in the presence of such tenderers, as may choose to attend.

6. The rate for each item must be specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The deposit of the successful tenderer will be retained and forfeited to Government if he fails to complete the contract within the time which will be specified in the intimation letter of acceptance of his tender.

9. No advance of cash will be made to the contractor; payments for the articles supplied will be made in due time after the articles are received, and on his producing necessary bill with voucher.

10. The contract must not be sublet.

11. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

12. The successful tenderer should supply the required quantities in accordance with the indents received, which will be subject to alteration at any time up to the time of despatch.

13. The successful tenderer will be required to guarantee that none of the articles supplied are adulterated. Any supplies that are found unfit for use on account of any reason will be summarily rejected, and must be removed by the contractor at once.

14. Articles ordered should be of the best quality and fit to be used without any extra labour or wastage and should be delivered at the hospital, free of all charges—diet articles within 8 A.M. daily and the other articles not later than 12 hours after taking delivery of the indent by the contractor.

15. If the supplies are satisfactorily made during the year to which the contract relates, the continuance of the contract for a term of three years will be considered.

16. The decision of the Vice-President of the Government Ayurvedic and Unani College Committee, Mysore, will be final in all questions relating to the contract; he does not bind himself to accept the lowest or any tender or to assign any reason for not doing so.

17. For the supply of milk, the cows to be milked in the hospital premises should be ready at 6 A.M. and 5 P.M. every day. All articles, except when mentioned otherwise, should be of the first sort cleaned, and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the hospital authorities from outside and the charges debited to the contractor.

19. The pharmacy contractor should also arrange for the ready supply of green herbs in bundle for the pharmacy use by claiming the actual cost of the drug-vendor and the allowable commission thereon as noted in (20).

20. The supply of articles not mentioned in the tender should also be supplied both for the pharmacy and hospital at the prevailing market rates with a commission of not more than one anna per rupee on the total bill of such non-tendered articles by obtaining the sanction of the Vice-President.
